

PLUS SERIES

BOOK TROLLEYS, BROWSERS AND DISPLAY TOWER

PLUS SERIES

VEN, ØLAND OG HALLAND BOOK TROLLEYS

Booktrolleys in durable material

You will find three different book trolleys in the Plus series. Combine them with picture book browsers and display tower to create a colourful and creative environment.

Ven is a double sided booktrolley with a large capacity and 3 vertical shelves, one of which is adjustable. Ven can also be used for binders.

Capacity

The book trolley has a capacity of approx. 200 normal sized books.

Measurements

W1010 x D430 x H1090 mm.
Depth of shelf: 423 mm.

VEN

ØLAND

Øland is a functional, one sided book trolley with 3 fixed, declining shelves with extra depth and distance between the shelves (also fits binders).

Capacity

The book trolley has a capacity of approx. 100 normal sized books.

Measurements

W1010 x D350 x H1090 mm.
Depth of shelves: 250 mm.
Distance between shelves: 330 mm.

Halland is a smooth, one sided book trolley with 4 declining shelves with extra depth, of which 2 of them are adjustable.

Capacity

The book trolley has a capacity of approx. 70 normal sized books.

Measurements

W530 x D480 x H1115 mm.
Depth of shelves: 207 mm.

HALLAND

Material

Frame in powder coated tubular steel. End panels, back and shelves in laminated plywood.

Colours

The book trolleys are available in the following standard colours: white, black, lime, orange and grey. Other colours are available upon request (however min. quantity of 5, delivery time 6-8 weeks).

Castors

Ø125 mm. Two of the castors are lockable.

PLUS SERIES

PICTURE BOOK BROWSERS

Make reading fun - for both children and adults

These smart and colourful book browsers can be used in many different settings to create an inspiring environment for children. Who wouldn't like to see what book treasures the Dragon guards over or jump out into the Wave and surf away on new adventures?

Colours

The Plus book browser series is available in the shown colours. Other colours are available on request.

DRAGON

ORANGE

Material

The browser, made of very strong, durable material (laminated plywood), is practically sectioned, consisting of five removable dividers and is supplied with a rubber mat for the bottom of compartments.

WAVE

Capacity

The browser has a capacity of approx. 80 picture books.

Measurements

W740 x D625 x H550 mm

GREAT WHITE

Accessories

Castors can be bought separately.

Note! BCI can also deliver shelving based on the Frontline system, but with the same finish as the Plus series (laminated plywood).

WE ARE LIBRARY PEOPLE®

PLUS SERIES

QUATTRO DISPLAY TOWER

Easy accesable face forward display

The Quattro Plus display tower gives you mobile face forward display of books, magazines and AV-titles. Choose between three holders to design the tower that meets the need of the users.

Capacity

The tower has a capacity of 4 x 7 tracks, allowing room for display of 20 titles in all.

Material

The actual tower is made of laminated plywood and the holders are made of acrylic, available in three different sizes.

Measurements

This light pyramid shape makes the tower smaller at the top (W/D 280 mm) than at the bottom (W/D 335 mm). The tower is 1540 mm tall, incl. castors.

Colours

The towers are available in the following standard colours: white, black, lime, orange and blue. Other colours are available upon request (however min. quantity of 5, delivery time 6-8 weeks).

Set-up

The castors mounted on the tower are Ø50 mm double wheels, of which two of them are lockable. The tower is also supplied with a set of steel feet.
