### Metal book supports

Size D135 x H170 mm.  
 Material 1 mm. steel, lacquered.  
 Unit 10 pcs.  
**3238** grey  
**3240** brown  
**3241** blue  
**3242** red  
**3244** white

## Modular index blocks

Versatile and flexible shelf marker, made from environmentally-friendly plastic. The index blocks consist of three parts: Two sides and one base. Because of the options available, this means you can use your creativity and shape your index blocks in different colours (red, grey or graphite grey) and size: (single or double width), depending on your needs. You can also choose between different kinds of bases: Flat base, shelf stopper base, shelf clip-on base, or book support base. And a double faced label holder which protrudes to show the shelf contents from any direction in the aisle.

Material Plastic, polyethylene (PP).

### Index blocks

Size W36 x D125 x H222 mm.

- 3262 without base/grey
- 3308 without base/graphite grey
- 3292 without base/red
